DESCRIPTION

AMOUNT

Fence post replacement & re-secure — complete

\$1,100.00

- Remove (2) existing 4x4x10 fence posts set in concrete and haul away all debris
- Supply & install (2) new 4x4x10 cedar posts, set plumb in fresh concrete
- Detach, brace, and reattach the existing fence section to the new posts; reset to level
- All posts, concrete, and fasteners included

Total

\$1,100.00

Terms & conditions

- This quote is valid for 30 days from the date above.
- Price assumes standard soil and footing conditions. Severely oversized, rebar-reinforced, or inaccessible footings may require a written change order before work proceeds.
- Excludes permit fees (if required) and repair of any pre-existing damage beyond the two posts noted.
- Payment: balance due upon completion of work. A 50% deposit may be required to schedule.
- 1-year workmanship warranty on labor.
